THE PROVINCE OF ALBERTA

It is with sincere pleasure that I take this opportunity to extend on behalf of the Government and Citizens of Alberta sincere best wishes to all attending the 25th Anniversary Reunion of the VIII Recce Regiment.

I trust your deliberations will be fruitful, and I know you will enjoy the hospitality of Calgarians, and the pleasures of renewing old acquaintances.

There are still many problems facing our country and our people for which solutions must be found, and a great deal of benefit should come from meetings such as yours, where men who have the good of Canada at heart join together.

Again my sincere best wishes, and to those who are visiting Alberta for the first time, I express the hope that you will have time to linger in our Province, visiting our holiday resorts, and viewing at first hand our thriving economy.

(Signed) Ernest Manning
Premier of Alberta

THE CITY OF CALGARY

I am most happy to bring greetings to the VIII Recce Association as they gather in reunion in Calgary on July 22nd and 23rd.

In this competitive world it is gratifying to know that your reunion is not a business convention, but just a gathering together of friends - old comrades of your Association and their families.

We hope you will have a good time as you renew acquaintances, talk about old times, your families and your future. We are glad that you have chosen Calgary as your reunion venue and do want visitors from far and near to enjoy their stay in our city.

On behalf of the citizens of Calgary, City Council and Board of Commissioners, it is a pleasure to extend civic greetings.

(Signed) Jack Leslie
Mayor, City of Calgary

Planning and organizing this 25th Anniversary Reunion has been a wonderful experience, made even more enjoyable by the enthusiastic support of my co-workers in Calgary. I could not have asked for more willing helpers than Ed Boyes and Marc Daunais. Al Fairbanks has kept a prudent eye on the budget. Dick Williams' wonderful contribution is already in your hands in the form of our Memorial Journal. Gord Vincent is our unpaid and hard-working Steward and to him go the thanks for obtaining this fine Al San Club. The rest of the Calgary contingent have pitched in and helped whenever called upon.

A special thanks must go to Mrs Helen Willis and the Calgary ladies who organized the children and teenagers programme - a big load off our shoulders - and to Flavia Daunais - a gracious hostess on so many occasions during the long months of planning.

I want to express my personal thanks to General Mann and to Mo Alway for their counsel, and to Lt Col Ivor Clifton, CO of the 14th Canadian Hussars for the way in which the Regiment has supported our efforts in this Reunion.

In our initial planning we set our sights for an attendance of 250 members. At the time of preparing this report it looks as if we will be at or near this figure. The number of wives and children attending far exceeded our expectations. We are particularly gratified by the wonderful response from Eastern Canada. We hope you will give us westerners an opportunity to reciprocate.

In organizing the Reunion we have played it by ear all the way. We received a big lift when the Province of Alberta agreed to sponsor our banquet, and our thanks go to Jack Keene who acted as our liaison with the Dept of Public Relations in Edmonton. Doug Johnson and his Calgary Tourist and Convention staff gave us wonderful support and advice.

This Reunion will be a success because YOU - the members of the VIII RECCE ASSOCIATION - will make it so. All we could do is keep you informed and supply the necessary hysical rops. We hope you will be satisfied with our efforts. And, surely this won't be the last National Reunion. If there is one way you can show your appreciation to us, it will be by making sure the VIII Recce Association carries on.

MEMBERSHIP REPORT

MARC DAUNAIS

As of June 30th there are 492 names on the mailing list, 210 of whom are paid up members of the Association - 42.5%. 354 names on the list are from Alberta and Saskatchewan. There are 4 residents in the USA. This list has been built up from about 115 in 1963. It has been done by members sending in names, and with an assist from the Legionary Magazine.

Our most pressing need is for a new name ledger with the names typed and listed in alphabetical order, and a list by Provinces would also be useful.

P.S.

P.P.S.

P.P.P.S.

Since the above was written, we have the ledger, and a Nominal Roll by Provinces.

FINANCIAL REPORT

AL FAIRBANKS

Because of the necessity of preparing these reports some weeks in advance of the date of the Reunion, it is felt that a Financial Statement as of the date of writing would have little meaning. For this reason, publication of the Financial Report has been postponed until the Business Meeting.

LOOKING BACK

Wondering what we were doing 20 to 25 years ago?

- In 1941 The Regiment was billeted in Blenheim Barracks, Aldershot, and had just been brought up to strength with the arrival of the L-53 draft. A contingent led by Lt Alway (name sounds familiar) had been posted to form the training squadron at the Holding Unit.
- In 1942 We were at Pheasant Copse, Petworth Park, and had just completed a pleasant session with the Home Guard. Section and Troop Training was the order of the day.
- In 1943 We were at Fernhurst. Special weapon training was being conducted with the arrival of such things as the Piat, new smoke dischargers, the new Mark IV Lee Enfield, etc.
- In 1944 We had just come through our first baptism of fire at LeMesnil, and were mourning some heavy casualties. On this particular day we had been withdrawn for refitting and rest, but would soon go into the line again at Beauvoir Farm, south of Caen.
- In 1945 It was all over. Many had already made it home. We were in comfortable billets at Elburg in Holland, with the Zuider Zee a few hundred yards away providing excellent swimming. A sad note on July 23rd, when we bade goodby to our Scout Cars.
